COMMODORE MILAM was waxing eloquent the other day about the great month of May.
“The Derby, Cinco de Mayo, ARC Fun Day,” he mused. “Celebration of Yachting, Fr. Bob and his sailors, Cruisers’ Annual Cruise, Beer Can Racing, the Memorial Day BBQ, guest author Lisa Unger at Book Club, all those Gulls and Bow Chasers parties and awards. But best of all, I got to be in a parade!”
He was referring, of course, to the City of Clearwater’s Centennial Parade – read more about it next month.

See you at CYC in June!
**Commodore’s Corner**

**IF YOU LIVE** in England, you might be inclined to recite that Robert Lowell poem we all learned in the 9th grade: “And what is so rare as a day in June? Then, if ever, come perfect days…”

But we live in Florida, where there are many, many fine and perfect days, especially at Clearwater Yacht Club. This month, of course, we’ll be acknowledging Father’s Day (June 21), but I’ll bet we can find a way to celebrate a bunch more whacky June dates, too. Birthday/Anniversary night will be Saturday, June 6, so that might be a good time to raise a glass to your favorite celebrity with a June birthday.

May is now behind us and it’s always a fun month at CYC with the Derby, Cinco de Mayo, ARC Fun Day, Celebration of Yachting Banquet, Gulls end of season Luncheon, Fr. Bob and his sailors preparing for summer camp, Cruisers on their Annual Cruise, and many more great events. Our Memorial Day BBQ was a real success. Rear Commodore Proefke continues to bring fun events for our members.

CYC participated in the City of Clearwater Centennial Parade. RC Ed Proefke Jr. drove the float with Bruce Kendall, 2016 Paralympic Sailor and CYC member, Vice Commodore Johnny Cardosi and myself. The float pulled the pram float with our young sailors, many of our members paraded with the CYC float passing out beads throughout the parade. FC Tish Wold organized CYC’s participation in the event. Thanks go to everyone for helping.

One of the best things to happen in May was that our own Past Commodore Sandie Ramsden received the Lilly Kaighin award for 2015. It is given annually to a Florida Women’s Sailing Association member who best exemplifies qualities of leadership, motivation, organization, participation, involvement, good sportsmanship or contribution to the social aspect of sailing. Cathy McNally was acknowledged as the first place winner for the individual pram under 60 category at the FWSA Rainbow Regatta held at Davis Island. Congratulations to both ladies.

We continue to make improvements to our club, the porthole window is in place and a new Burgee is on its way. Several other projects are coming to closure. Great job from the Vice Commodore.

Tom, Chef John and Danielle continue to provide great food, drinks and service and we thank them for their hard work. We do have new servers on board, please introduce yourself to them and welcome them to our club.

As a reminder to all including myself, when we see that Pineapple Flag please introduce yourself to them and welcome them as new members to CYC. Remember when you were a new member and all of the folks having fun and you and your spouse and/or friend dined alone. Let’s take a couple of minutes and say hi. Could be your new best friend in waiting.

**Have a Great Month**

**CYC Board Highlights**

At the Board of Directors Meeting May 21, 2015, the following actions were taken:

- Minutes of the April meeting were approved.
- CYC will support a youth sail-a-thon in memory of Ted Irwin to raise money for the Community Food Bank.
- New membership applications were approved.
- Approved the tenting of CYC for termites in August.
- The next meeting will be held on June 18, 2015.

---

**SAILORS’ TABLE**

If you enjoy:

- Sailing
- Imbibing
- Dining
- Telling sea stories
- Cruising in company with other sailboats

We’re gathering in the Grill on the 4th Wednesday of each month 6:30 p.m. for drinks and blather, 7 p.m. for dinner.

**Next Sailors’ Table will be Wed., June 24**

TO ALL OUR slip holders, please notify our dock master when you are going to vacate your slip for a day or two as we don’t always have enough transient slips to satisfy the demand. As we all know, everyone wants to be on the club’s docks where “all the fun is!”

The next time you find yourself spending some quality time in your engine room we suggest you do one especially important thing before leaving: Check the stainless-steel clamps on the hoses that serve your exhaust, raw-water-cooling, and other mechanical systems onboard your boat.

Here’s the deal, though. A plain ol’ visual inspection is in many cases going to be insufficient. While a high-quality hose clamp can look like it’s in tip-top shape from every angle that allows for direct observation, the darn thing can be darn near rusted through in some spot that, for one reason or another, is virtually impossible to see or casually inspect. The problem is especially common near low points and back sides of clamps where moisture in engine-heated air condenses and drips or drools downwards due to the pull of gravity. How do you keep tabs on this sort of thing?

Would you believe a dental-type mirror? You know, the lollipop-shaped gizmo with the long handle and the little round reflective device on the end? You should be able to buy a plastic one for a few dollars at your local drug store or, more useful and reliable in the long run, why not spend between $30 and $40 and get yourself a good-quality stainless-steel version in a protective case that’ll fit nicely into your onboard toolbox?

In either case, you’re going to use the device in much the same way your dentist does. Simply pass the mirror behind any suspect portion of a given hose clamp, angling it so that you can easily see what you could not see before. Then, if there’s any justice in the world, you should be able to easily identify rust and/or crumbling metal and replace the clamp well before some sort of dangerous or pesky leak arises.

A dentist’s mirror can serve other onboard uses as well, by the way. Sometimes when working with electrical connections, motors, wiring, and various auxiliaries here and there, you’ll find that a bit of necessary information (a model number for a part that needs replacing, for example) is difficult or even impossible to see.

What to do? Pull out your little dentist’s mirror, shove it into that obscure spot, maybe bring a flashlight to bear, and hey, you’re home free!

Please feel free to contact me at Skip_Moore@Live.com with any questions or concerns.

**NEXT TIME** you see PC Sandie Ramsden, be sure to congratulate her. At the Florida Women’s Sailing Association meeting May 21, Sandie received the Lilly Kaighin Award given annually to the FWSA member who best exemplifies qualities of leadership, motivation, organization, participation, involvement, good sportsmanship or contribution to the social aspect of sailing. Chosen by the executive board of FWSA, this award is named for a past president and founding member of two FWSA clubs. Sandie received a keeper trophy and the Bow Chasers will host the perpetual trophy at CYC until May 2016. The Bow Chasers are so proud of Sandie!

**Making Waves at FWSA**
Two of our very own Bow Chasers are making waves at FWSA. Dorothy Connor was installed as the new FWSA Vice President. Cathy McNally won first place in the Rainbow Regatta category for individual prams under age 60. Congratulations Dorothy and Cathy!

**Honorary Bow Chaser**
Without the help of Dan Geis, the Bow Chasers would be high and dry. Dan totes the prams for us, helps us rig, gets us in and out of our prams and even drives the committee boat. We were so pleased to award him the Carol Brown Distinguished Service Award for giving his best to the Bow Chasers.

**And the Winners Are...**
Each year the Bow Chasers honor the excellence in our organization. To Anita Cafferty, who brought more people to CYC on a Tuesday night than ever before by organizing our first Fat Tuesday Party, we are pleased to present our Party Girl Award. Mitzie France received the Steadfast Sailor Award for her ability to be calm and steadfast in the eye of the storm and keep us all on course. For her devotion to sailing and the Bow Chasers, Lucille Gray was given the Dottie Olsen Sportsmanship Award. Judy Umeck’s contribution on the water and at organizing our social events earned her the Bankston Award.

**Summertime and the Living is Easy**
Watch your email for summer events. Be sure to join us in the pool for aerobics on Tuesdays and Thursdays, and for lunch afterward.

Until next month, remember that the cure for anything is salt water.

Immediate Past Captain Theresa Haverkamp recognizes CYC staffer Dan Geis for his service to Bow Chasers.

Cathy McNally, 1st place racer
**BOARD ROOM BINGO,** on May 20th, was our last luncheon of the season, and of course it was held in the Board Room. Chef John provided us with a tasty luncheon as usual, including those wonderful grilled peaches with ice cream! We played some complex Bingo games after dessert, and two prizes were won by Connie Boblenz, with one each by Nancy Perrigo, Cindy Page and yours truly, Marjorie Brandt, a past CYC/Gulls member was there as a guest, and she won $18 in the 50/50 drawing! We were a small group, but we had a great time!

Since so many of our ladies are staying in the cooler areas through September and into October each year, there won’t be a September luncheon this year. The first Gulls-sponsored luncheon for the fall season will be held on October 28th.

The Gulls’ major event each year is our**  **November Boatique and Fashion Show**, coming up on November 11th. This year we are including a section called **Bobbles, Bangles & Beads** for gently worn jewelry. Ladies, take a look in your jewelry boxes and – if you’re anything like me – you’ve got some very nice costume jewelry that you just never wear. We would love it if you could set aside some of those lovely pieces and donate them to the Gulls in October, for the November Boatique. We’d rather not start collecting jewelry now – it’s still months away – this is just a “heads up” about what is planned. We will start collecting items in October, with an October 28th deadline. Then you can go shopping at the Boatique to replace your donated jewelry with some “new” items! As always, all proceeds from the Boatique will go into the next Gulls gift to our great CYC!

**Don’t forget** – the Gulls $15 annual dues are for the January through December fiscal year. There are still a few of you who haven’t paid your 2015 dues. Remember – all funds received by the Gulls are used to provide the monthly ladies luncheon programs and to help CYC with gifts that benefit the club. We’ve donated the piano, the sound system, computers, and much more, and this year we’ve donated the funds to pay for the new Memorial Garden retaining wall, which hasn’t been finished as yet. Commodore Rowland Milam and Vice Commodore Johnny Cardosi have promised to place a plaque on the wall identifying it as a Gulls gift.

Ladies – if you aren’t already a member of the Gulls, why not take a few minutes to fill out the form that Virginia has in the office, and join this great group??

Another “heads-up!” On Saturday, March 5, 2016 the Gulls will be holding our biennial **Yard Sale on the Dock.** This dock sale is made up of household items donated by CYC members which we then sell in a yard sale format to anyone who responds to our ads and signage. If you have some items you’d like to get rid of, please set them aside for donating to the Gulls starting February 1, 2016. We will also be looking for someone to lend us a trailer to store things in during the month prior to the sale and for a few days afterward until any left-over items are collected by a local charity. We do not include clothing in this sale – only household items, furniture, books, games, toys, purses, boat accessories, etc.

We are always looking for new ideas for programs, so please give some thought to the kinds of things you would enjoy, and let me or Terri Freiberg (tops800@hotmail.com) know!

The Gulls are looking for ladies who would like to get more involved. Our Board elections are coming up in October, and we need ladies who would be willing to put in a few hours each month as Gulls Secretary, Treasurer, Vice President or President. Think about it, and if you’re interested in being more involved, please let me know. We’ve already had one volunteer for the Treasurer position, but need members for the other three positions. Our current officers have each spent two years in their current position, so we are looking for a break!

Don’t forget – just because we don’t have any formal Board meetings or luncheons during the summer, we still gather every Wednesday morning for conversation and games, etc., and then stay on for lunch. Come join us in the Gulls Nest any Wednesday at 10:30 – or maybe 10:45? (We aren’t always on time in the summer…)

Hope to see everyone soon. Did you notice those 4 or 5 days of spring that we had a few weeks ago? Wasn’t it great? Now we have full-blown summer weather!! Keep cool ladies!
**Beer Can Racing**

**WHAT A** wonderful spring time at CYC. Who ever thought sailors wouldn’t enjoy wonderful afternoons out on the Gulf of Mexico, testing their skills against their friends? The spring series of Beer Can Racing at CYC turned out to be a resounding success! We canceled only one race, and each of the other times we had eight boats out, including introducing two sailboat crews to our friendly environment at CYC!

For our spring series (we had a final race on Sunday, May 31st), our leaders in the season’s competition are:

- **Mike Twinning** aboard **Vim** *(not a CYC member)*
- **Ed Proefke** on **Valhalla**
- Dick Crowl and Curtis and Tish Wold on **Riva**
- Tom and Brenda Buonosera on **Contingency**
- **Jeff Marks** on **Wasabi**

We have had great participation from our sailors, including Tim Roberts (both on **Chances R** and setting courses for us aboard **Homerun**), Al Humphers (**Dyna**), Bill and Buzzy Cheadle (**En Guarde**), Tim Lewis (**Euphoria**), Andrew Tipton (**SuSea**), Fr. Bob Wagenseil (**Téhani**), and Rob and Kelly Lesperance (**L’Esperance**), while other members such as Pierre Maneri, Tim Walsh, Branch Moeling, Steve and Cathy McNally, Pete Chabot, Collin Heimensen, Anita Cafferty, and the entire Roberts family and others have come out to crew with other boats.

We hope to continue our participation over the summer, as the racers have let us know that they would like to continue. So look for the sailors before and after the races on the following dates:

**All start times are approximate:**

- Saturday, June 13 – 1:30
- Saturday, July 11 – 1:30
- Saturday, Aug 8 – 1:30
- Sunday, June 28 – 2:30
- Sunday, July 26 – 2:30
- Sunday, Aug 23 – 2:30

If you have any questions about our racing, or would like to participate, contact any of the participating members, or Tish Wold at 727-641-8634.

*See everyone on the water!*
ENTERTAINMENT

By Ed Proefke, Jr., Rear Commodore

THE DANCE THE DOCK party on April 25th was the first dock party of the summer and it was a great success. Thank you to Andrew Tipton for hosting the party and organizing the entertainment.

We had a large crowd enjoying Mexican fare and drinking Margaritas on Cinco de Mayo in both the main dining room and grill room on May 5th.

Members that were at CYC Saturday May 23rd during the Memorial Day weekend enjoyed an evening of classic rock performed by Razed by Wolves. Lorrie Stirling found this band and suggested we hire them for Saturday during the holiday weekend. The band was a big hit and many of our faithful members stayed until the 11:00PM cut-off time.

Looking ahead into June, Saturday June 6th will be Birthday/Anniversary Night at CYC, and we are bringing back Karaoke on Saturday June 20th. Our second summer dock party will be a Latin Jazz party on Saturday June 27th.

The 2015 Dinghy Poker Run is scheduled for July 18, so mark your calendars now! See you around the club.

Yachting

By Tim Walsh
Yachting Chairman

YOU ARE FABULOUS! And on May 7th we held the Celebration of Yachting dinner to say so. Thank you, thank you, thank you to all who participated in Race Committee activities throughout the year. We couldn't possibly do this without your help and dedication.

If you are looking for excitement on the water, check out our schedule for the upcoming season:

New to the schedule is the Ted Irwin Memorial Youth Sailathon. This is a non-competitive event open to all kids for the purpose of “fun” and “paying it forward/giving back to the community.” A chance for our kids to do what they love and, as they do, to make a positive difference in the lives of those in need. Please contact Fr. Bob Wagenseil for additional details.

Can you believe that we used up the whole Beer Can Race schedule already? Well, fear not! Apparently, we all had such a good time mixing it up around the marks, that Tish Wold is already putting together a schedule for a summer series. As you know, this is a casual racing series that is intended to primarily get us out sailing our boats and it is for all Clearwater/Dunedin/Indian Rocks area sailors whether you are CYC members or not. So, if you have a boat, bring it. If you don’t, just show up and crew on someone else’s. Please call Tish Wold if you would like to participate.

If you are new to Race Committee activities and would like to learn more, we will be holding Race Committee 101 classes in the fall. This is an introductory class in how to run/manage regattas. Stand by for dates.

We need your help! So, I would like to encourage everyone to attend the Yachting Committee meetings. The Yachting Committee meets on the third Tuesday of the month, but always the Tuesday before the Board meeting. So, come and join in the FUN!

I look forward to seeing you at the club and on the water!

CYC BOOK CLUB

The Book Club meets the 3rd Tuesday of every month at 6 p.m. in the Board Room.

All members and their guests are welcome to join. After our book discussion, many of us stay for dinner. We’d love for you to join us. Please call Virginia at 447-6000 for reservations. You do not have to read the book to join and listen. Our discussions are stimulating and fun. If you enjoy reading, this is the place to be!

All books are predetermined by the members prior to discussion. Our upcoming meetings will feature the following selections:

What a great stop we had at Plantation Harbor Marina in Islamorada; we all wanted to stay there longer but we had to move on to Marathon Yacht Club for some great entertainment at the club, food and snorkeling. Well, that brought us to the Great Florida Bay crossing, destination: Marco Island. We had a great Mother’s Day gathering with a little bit of this and a little bit of that. We had a festive Italian dinner and our bellies were full. Then back in the familiar waters of the Gulf of Mexico, we proceeded to the Naples Yacht Club for some bicycling, toe nail art, and fine dining, and a little more shopping as if we had not done enough.

At this point we bid farewell to our extended cruise and sadly started to head home with great memories and stories to tell all our friends. And so ends this story, but for those of you who could not join us, we still have a lot of cruising to do and the Annual Cruise is going to be a blast. Thank God for “cool breezes and calm winds.”

Many, many thanks to all who hosted the various segments of our trip.

The new Cruiser logo shirts can be purchased by calling Sandy at Uniform Nametape: 813-839-6737.

The next Cruisers meeting is 6:30 PM on June 10th.

New CYC Members

The Board of Directors has approved the following for membership:

- Gerard Ackerly & Judy Bergstrom
- Mary Lou Dean
- Glenn & Paula Wienkoop

If you see the pineapple flag on their tables, please introduce yourself and give them a warm CYC welcome!
WOW, I CAN’T BELIEVE it, summer is here! Hot weather and humidity arrived early this year. It’s a great time to cool off in the club pool. This time of the year we chill the pool to a nice refreshing temperature. And while enjoying the pool, order your favorite beverage and snack from the Tiki bar.

Danielle has hired several new wait staff to serve us. Be sure to introduce yourself to them and be a little patient while they learn the CYC ways.

The ARC (formerly UPARC) Fun Day was a huge success again this year. We had a full house and served 225 hamburgers and 200 hot dogs to a hungry group. JR donated his time to play for the clients and they danced and danced the day away working off their burgers and dogs. Refreshments hits of the day were Shirley Temples and Roy Rogers. Nick, owner of Venus Restaurant, donated the hamburgers and hotdogs. The clients enjoyed boat rides courtesy of the Clearwater Marine Aquarium. Joe and Helen Correia donated all the 400+ ARC t-shirts to the club. Nice! Many other CYC members and staff donated their time and money to again provide a wonderful day for the ARC clients. If you haven’t been to a Fun Day you need to mark your calendar for this event. It is truly rewarding to see how much enjoyment is had by all the ARC clients.

Our galley and wait staff teams prepared and served us a terrific Mother’s Day brunch. We had two seating times and both were full. Dad’s day is coming soon, make reservations now. We had a great Memorial Day holiday weekend turn-out starting with a Saturday dock party with a rocking band and all you could eat king crab legs. MMMMM. We followed that good time with a delicious Memorial Day BBQ. The dry dock, Tiki bar and pool were packed. Our young members (children and adults) and guests had a great time competing in the egg toss, pie eating and water balloon toss contests.

Our facility continues to get a makeover. We have completed the new pram racks (see photo) to the delight of Father Bob and his sailors. The new pram rack will hold all our current prams and allows room for expansion. Father Bob’s youth sailing classes are going gangbusters!

The new window in the entry hall is installed and we expect to completely finish that project by early June. Check it out! The Ship’s Store will move back to its former location at that time with lots of new CYC apparel. We will be installing new handrails at the front entry ramp and our entire club house will have a new coat of paint soon.

The recycling program on the docks and at the Tiki bar is underway. You will notice the blue recycle containers at each finger dock and by the Tiki bar and pool entrance. Please remember to recycle. Green is in. Help your club be more green!

Be sure to fill out the CYC comment cards. If you have comments or constructive suggestions, use this card to express yourself. At our House and Grounds meeting we read every comment card and take the appropriate action or consider your suggestions. These can be left with your meal ticket or dropped in the comment box in the lobby.

Be sure to thank our staff and management as they truly work hard to make your club a wonderful experience and provide good service to our members.

I have one special request, if you see a new member or a member you just don’t know, walk up and say hello and welcome them to paradise, our CYC club! See you at the club.

Tip of the day: reservations help us know how much food to prepare, especially with buffets.

Florida Commodores Association formed at Clearwater Yacht Club

THE FLORIDA COMMODORES Association was established in December 2008. The FCA mission is: To establish a community of past commodores who are members of recognized Florida yacht clubs, promoting Florida and international yachting customs and traditions through awareness, educational, charitable and social programs.

Throughout Florida, the FCA has sponsored events such as Wounded American Veterans Event (W.A.V.E.), a leadership seminar series, in addition to events in support of the U.S. Sailing team. In fact, the FCA was holding its quarterly meeting in Punta Gorda the same weekend as our fundraiser for Brad Kendell and his team, and PC Larry Kimmerling was able to gather about $1,100 in donations to support the sailors!

We now have enough FCA members at CYC to have our own chapter. All past commodores are eligible to join, and their spouses/significant others as well as current commodores and vice commodores are eligible to join as associate members. So, for our past commodores, if you haven’t already heard from Immediate Past Commodore Tish Wold, please contact her for more info at tishwold@tampabay.rr.com or 727-641-8634.

Sponsoring recycling at CYC for the month of June is Lori Horton!

Can it possibly be June already? We must be having fun, because the time has truly flown by so far this year! Thanks to every member – and their guests – for choosing to dine with us so often. My crew enjoys waiting on each and every one of you!

Lots going on this month, so read your calendars and your Constant Contact emails so you don’t miss out on any of the activities:

Birthday & Anniversary Night – Saturday, June 6th – for April, May and June! If it’s your birthday month, enjoy the dinner buffet complimentary! If it’s your wedding anniversary, enjoy a complimentary refreshing beverage of your choice!

Karaoke Night – Saturday, June 20th – Join us for some fun and laughs as we enjoy some hidden talents from our members! Full open menu this evening, plus some great dinner specials!

Father’s Day – Sunday, June 21st – help us celebrate all the fathers in the club by showing up today to party with them. Delicious Tiki menu, plus specials, and free “dogs for dads” all afternoon!

Latin Dock Party – Saturday, June 27th – Get ready for another great dock party. Delicious food, great friends, live music and dancing under the stars! Menu and details to follow!

Hey! Who are all these new faces I see around here? Are they visitors? Friends of members? The Mafia? Relatives of members? Well, maybe some are, but most are our newest members! If you see the pineapple flag on their table, please welcome them to our family. If you see someone you don’t know – pineapple flag or not – please introduce yourself and welcome them to our family as well! Remember how it felt when you were the new kid in class and didn’t know anyone? Let’s make everyone feel at home…because this is – or should be – your 2nd home!

At your service, I remain,

Tom
