COMING ABOUT . . .

Summer is back and so is the CYC Tent on the patio with tropical decor and fans to keep our members cool and refreshed. Our pool is perfectly chilled at this time of year and our Tiki bar is making the coldest drinks on the beach! C'mon out and see the extra umbrellas and shade we have around poolside as well. The Big Screen in the Dry Dock was also a hit for some of our members who wanted to watch the Wimbledon Championships and enjoy other games in climate controlled comfort.

There is a lot happening at CYC. First, the "Cruisers Landing" is beginning to take shape with the restoration of our very famous CYC Canon which we unveiled at a ceremony over the 4th of July holiday weekend.

Commodore Gregory Crist

A big thanks to our Cruisers and Cruise Directors, the Newcom's, as well as Dan, our Maintenance Supervisor .

This was just Phase 1 of the project which includes a modern flag pole and new bricks. It took a total team effort to make this transformation possible and it's so great to see the progress we are making around the property.

Lest we forget, how about that CYC knock your socks off Annual Poker Run. As always, it was awesome fun with a little water canon action thrown in.

Finally, as our Marina Project gets underway, we want our members to know that there will be minimal disruption around the club during the next 24 weeks. Expect to see more communication regarding the pier replacement schedule coming forth shortly. Sadly, we could not keep the Pilot House. I do expect, however, that our new marina when complete will really make our club stand out, a destination and an absolute pleasure to come to by water.

See you at the Club!

WE HELD OUR Waterside meeting Tuesday, July 19 with a good turn out to discuss our current update on the dock replacement starting August 1.

The replacement will start with the board walk and A dock with a goal of replacing the board walk asap, followed by A dock to minimize the effect on the Tiki hut traffic. The Tiki will remain open during the replacement.

We will be using the current pedestals until our new ones arrive. With the support of our electrical contractor, we will be offering the current pedestals for sale as they are removed.

Our dock contractors have agreed to stack all the boards that were sponsored by past members; if you would like yours as a keepsake or reuse—feel free to take yours.

We will be offering an opportunity to contribute to the new pilings and dock boards as soon as we get started with the replacement of the docks.

The committee agree, we need to start with updated leases and slip holder rules for the privilege of docking at CYC.

Unfortunately, our Dock master Tom has been offered a good opportunity for his future and has given us notice that he will be leaving. Tom has been a wonderful dock master with the desire to go up and beyond the duties of the dock master. We wish him the best in his new venture.

We will bring you future updates on the next stage of the dock replacement soon. 🚩

See you at the club! Fair winds and following seas!

AUGUST MARKS THE start

of a new Yachting Season and a good time for a refresh on how we put the “Y in CYC”. Not only that, we offer fun filled volunteer opportunities for our members! The CYC Yachting Committee is focused on getting sailors and all boaters out on the water, to encourage yachting, and make CYC members more proficient in seamanship and navigation.

We all take pleasure in belonging to a prestigious Yacht Club. Prestige is measured in many ways, but one of them is successfully hosting major regattas. The Clearwater Yacht Club has a long history of doing just that and 2022/2023 is no exception.

Why do we need to help? CYC has a core group of excellent and experienced race committee members who can organize and run good regattas. Our venue in the Gulf of Mexico is also very popular. Every major event host needs power boats for almost every position on the race course--that is boats, drivers, good radio communication and people who enjoy spending time on the water. Without good powerboat support, we simply can't run any regatta, let alone a really good one!

Will I have fun? If you volunteer your boat and come out on the race course you can count on a good time. Experienced crew will be on the course with you, and afterwards we all meet up at the Tiki to relax and trade stories about the day.

What if I don't have a boat? Key volunteer roles landside include registration, breakfasts for volunteers and competitors, cocktail receptions, awards parties, dinners, graphic design and publicity.

Let me know if you would like to get on the list for any of these opportunities. Training for interested volunteers will be scheduled soon.

THE HOUSE AND

Grounds Committee has finalized a proposal for updates to the Taver Bayly dining room and the Grill room to include luxury vinyl plank (LVP), interior painting, refinishing Formica for the bar, carpeting, and furniture replacement, as well as painting the exterior of the club (burgee colors—white base with blue and red trim) in two stages.

The first stage is planned to include the LVP, bar stools and Formica along with interior and exterior clubhouse painting. Later we will seek committee and board approvals for the second stage for the dining room carpet and furniture.

Work has begun replacing the siding on the boat shed. House and Grounds is planning a member's workday on Saturday, Aug 6 for anyone who would like to come out to help finish repairs and paint (white) the sides of the boat shed. Thanks to Don

Carter and sons for their plan to replace the boat shed roof.

Thanks to Gary and Sondra Newcom for the beautifully restored cannon at Cruisers Landing around the nautical flagpole area out front. Finally, thanks to all our members for their efforts to date. August and September promise to be busy as we continue to update our club!

For a bit of sailing trivia, Clearwater Yacht Club's first annually scheduled "big boat regatta" was held in 1977. While the name has been changed to the Clearwater Challenge and the format has been changed from a distance race to a series of round the buoy races, the successor to the Kahlua Cup is still held at CYC..." (The First Hundred Years, CYC 1911-2011). The next Clearwater Challenge race is on Saturday, October 1 as a Gulf Coast Boat of the Year Race (West Florida Performance Handicap Racing Fleet (WFPHRF)) from Clearwater Pass to Anclote and back to Clearwater Pass. See the Yachting Committee article for how to sign up to race, be part of the race committee and/or party with the sailors at the Skipper's Party the night before.

The next House and Grounds Committee meeting will be Tuesday, August 2 at 6:30 pm. Until then, I can be reached at woldca@gmail.com or on my cell phone by text or voice at (727) 641-8633.

Membership

By Amie Crosby, Membership Chairman

I HOPE ALL are continuing to have a wonderful summer and enjoying the amenities CYC has to offer.

Have you been bringing your friends? There is still time for them to join CYC under our Summer membership promotion. This is an excellent chance to give the club a try and determine that it is the right fit for everyone.

We had a new membership orientation on July 10, and we had an excellent time welcoming our members. When you see the pineapple burgee at a table, please be sure to introduce yourself and make the newcomers feel welcome.

I know that many will be disappointed that there is no corny joke this month, instead I'm offering a small incentive to whoever can be the first to tell me how many classifications of membership we have.

Please remember that Membership is not just about recruiting new members, but also retention of our current members. If you have any ideas, questions, suggestions or concerns I invite you to attend the Membership Ambassador meeting on August 3 at 6pm in the Board room. My email is amieamc@icloud.com.

Put the "Y" back in CYC

By Kelly Lesperance

AFTER WATCHING SOME fun sailing theme movies, are you itching to get out on a big boat and do some racing in the Gulf? The summer and fall seasons are chock full of opportunities. A number of CYC members campaign their boats and might be looking for crew!

The Dunedin Boat Club (DBC) fall series starts on 9/10/22, then the Dunedin Cup on 9/24 and the Clearwater Challenge on 10/1. Check out www.dunedinboatclub.org/racingoverview for details and stay tuned to the Regatta page at Clearwateryachtclub.org for details on how to sign up for the Clearwater Challenge.

All our races start with a skippers meeting/party the night before at the TIKI and end at the TIKI after the race with awards and merriment.

THE ANNUAL POKER RUN returned to CYC with over 100 participants on the water! Teams got competitive quickly, arming every man, woman and child with an assortment of water toys ready to fire at will. A unique course was designed to challenge every kind of boat. Big or small, CYC had them all. Each stop had a different contest and everyone kept cool with refreshments and special frozen treats.

Everyone had lots of fun, food and folly along the way. First, the FUN! "They came to play," said Commodore Crist, who was stationing the boats for the obstacle course on Shepards Beach Resort. "I couldn't believe it. Once they hit the sand, it got serious as onlookers watched from behind the cones". It wasn't about speed for this Poker Run course, it was about the effort of teamwork with some creative talent, costumes and singing skits to score great prizes. Once back, the Staff put on a fantastic summer BBQ with some great food and cold cocktails!

THEY'RE JAMAICAN ME CRAZY

already at the July 14-17 cruise to Long Boat Key Club and Marina. The dock is crowded with crazy cruisers in ty-dye attire and dreadlocked coiffures.

Trying to sneak into the theme with pink flamingoes isn't going to cut it.

When the cruisers do something, they do it all out, and this cruise is no exception to the rule with 14 boats and 37 people participating in the Jamaican theme.

It all begins with hosts Steve and Leigh Ekovich and their clever conception of activities for the long weekend, beginning with Rum Punch, Red Stripe, 3-tiers of apps on a silver tray and more, including the Jamaican attire contest but this is only the beginning.

This group knows how to party, and following the Ekoviches as ringleaders promises nonstop fun. Thursday's Docktails soon move to the marina's patio to celebrate the birthday of our hardworking and tireless cruise leader, Sondra Newcom, with pizza and cake.

Much more is in store at this sprawling resort that encompasses the marina accommodations, the Key Club resort pool and beach, golf, tennis, pickleball courts, gym and spa. Our group had opportunities to relax at the marina pool and bar, take morning walks, golf, shop at St. Armand's Circle, compete in pool Volleyball and enter the Crazy Couple Photo contest won by Todd and Amy Crosby.

Another round of docktails and doughnuts Sunday morning hosted by Steve & Leigh sends us out to sea, happy and sated, until next month's adventure unfolds.

GREETINGS CYC MEMBERS!

In my report this month I would like to recognize 3 faces that many of our membership are familiar with. In the hospitality industry there will always be change and key employees will move on to other positions or career opportunities. You learn to appreciate the time you have with each team member and learn from their experiences. Clearwater Yacht club is lucky to have a core staff. After Covid we had to rebuild our team and while there have been changes along the way I am proud to say that 3 of our team members have just passed their year anniversaries. Natalie joined us in May of 2021 and has grown into our lead server. Hannah join the CYC team in June of 2021 and has become a stable force serving, bartending or even singing. Finally, Haley joined the team in August of 2021. Haley works at the club on weekends, and is a delight to work alongside. All three of these staff members have been great additions but we also need to recognize some of our longer tenured team members as well.

Kane	7 years

Susan	3 years
Gerardo	7 years
Jaimie	2 years

Virginia	10 years
Mary	4 years

We would not be able to be as successful without all of their contributions and we are lucky to have each and every one of them as part of our team.
