CYC-UNITED WE STAND

At our recent Blessing of the Fleet, I was so pleased to welcome the fantastic member turnout we had for this time honored memorial. During the ceremony, I also shared with Father Bob, our Fleet Chaplain, how wonderful it was to see our member fleet circle the marina basin as we laid a special wreath in the water and read the names of members who had passed away. It reminded me at that moment of how united we are as a club and what we need to do as an organization to preserve the traditions and customs the Clearwater Yacht Club has been known for.

*Commodore
Gregory Crist*

Our Town Hall was the first opportunity for us to share some amazing developments and special events that have already happened this year. In addition, through an interactive presentation we will be highlighting our next two phases of repairs and modernization of our club facilities. It's very exciting to see us move many of these transformative projects forward. The primer for this remodeling kick off was our very own Buy a Brush campaign. Thanks to many of our members, we were able to raise around \$35k to help support and enhance several of our club house projects.

Now, let me tell you that if you've begun to hear rumors about game night, they are all true! This is one of the most engaging events we have ever put on at CYC. We set up a stage just like the major TV game shows of Family Feud, Million Dollar Pyramid and others. Everyone can play in teams. It's great fun and it's Free! Check out the CYC May Events Calendar for date and time. Reservations may be required as this event will be heavily attended.

As the weather continues to warm up outside, the Tiki Bar and member pool are a great place to cool off. For your enjoyment, we have installed brand new extra large umbrellas for shade in and out of the pool area or if you want to watch one of the "ChampaBay" Games. We also have new and larger TVs installed around the bar and inside the member lounge and patio areas. This is, of course, in anticipation of our Rays, Bucs, Lightning, Rowdies and now Bandits playing championship and postseason sporting games. Don't forget about the Kentucky Derby coming up for other sports watching activities and events. Finally, we have ARC in May; this is a special charity event the club hosts every year. It's a great day for our members and guests to get involved with.

I invite you to spend some time at CYC. The calendar is just full of fun stuff for you and your guests.

See you at the Club!

Membership

HAPPY SPRING!

May is the start of our Summer Membership promotion. Prospective members can have a trial run this summer, **with no initiation fee and monthly dues of \$250**. This promotion runs through the end of September.

This month we are also planning a Membership Appreciation Party (Sun, May 22); look for details on Constant Contact updates. This will be a **member only** event.

In April we held a membership recruitment party and we had three social members join CYC that evening. Our referring members from that event got entered into the quarterly recruitment drawing. Good luck to them and all our referring members who sponsored a new member since January.

When you see the pineapple flag, the signal of a new member, be sure to stop by and introduce yourself you MAY find a new best friend.

MAYbe it's time for the corny joke? Why couldn't the bicycle stand up by itself? If you would like the answer to the corny joke, or ever have any questions or concerns, email me at AmieAMC@icloud.com or join our Membership Ambassadors the first Wednesday of the month in the Board Room at 6 pm.

Please remember membership is not just about recruitment of new members but also retention of our current members.

Waterside

By Rod White
Fleet Captain

THE WATERSIDE MEETING was held a week early this month. In May, Waterside will return to its usual meeting date of the third Tuesday of the month.

Woods Consulting has received three quotes from three very good contractors for the repair and replacement of our marina. Woods is putting together a spreadsheet analysis of the quotes for our review. It will be sent to along with our recommendation, to the Finance Committee, Board of Directors and Trustees for final approval.

After the award of the contract, the contractors are quoting beginning construction in approximately 6 weeks. The Waterside Committee is very grateful for the great work by Woods Consulting, and I thank the Committee for its work especially John Minton, Jim Coats and Steve Ekovich.

Our Yachting and Cruiser groups continue to be very active, representing CYC in our state and around the country, I appreciate the great leadership for both groups.

Hope to see you at the club in the near future. ➡

AS THINGS SLOW down for Race Committee over the summer, remember full members at CYC enjoy member privileges at the Clearwater Community Sailing Center (CCSC). What a great time to try your hand sailing a small boat, or taking out paddle boards or kayaks.

Congratulations to CYC members who participated in the Dunedin Boat Club Gulf Series Winter Regatta. Finishing first in the spinnaker class was Dr. Paul Guidi, **You Know Who**; and finishing third in the Cruising Class PC Tim Roberts and VC Curtis Wold in **Chances R**. These are WFPHRF races in which **L'Esperance** and **Riva** also participated. As always, these races make for great conversation and stories at the TIKI afterwards!

Dr. Paul Guidi receiving his award from DBC race committee members David Kresge and Carol Elwood.

Get ready to #raiseyoursails and join your fellow CYC members for Summer Sailstice 2022 on June 18. Check out summsailstice.com and let Jim Hannigan know if you would like to participate with your boat and/or take guests on board.

We will soon be offering more Race Committee training so we can be ready for the fall and winter events coming up so stay tuned to learn how you can help on land and water, particularly small power boats! As always, any member is welcome to join the Yachting Committee meetings the next one is May 17 in the Gulls Nest at 6 p.m.

CYC ANNUAL Blessing Of The Fleet

By Tom Cummings, Entertainment Co-Chair

SATURDAY APRIL 23 was a fun night filled with wine, art and music, as CYC hosted our first Wine & Art Walk. The evening featured artists Dan Rankin and Diane Radel, each demonstrating their unique styles.

Dan exhibited several marine and nautical pieces that were nothing short of amazing. Likewise, Diane highlighted her Turtle Track series, which characterize her talent based on tracks in the sand of several types of turtles, hurriedly captured on canvas because they were quickly eradicated by waves and the tides. Both artists were on hand to answer questions.

All evening long, members and guests had a chance to sample over eight different wines provided by Coastal Wine and Spirits, and enjoy great gourmet bites from Chef Jermaine and staff.

Wonderful violin and harp music rounded out a stellar evening. 🚩

WHAT A FUN

March Cruise-In we had at our own Clearwater Yacht Club. Hosts Don and Diane Reynolds, Bill

and Gail Stone, and Beth and Greg Zaski really know how to celebrate an event. We started off with a very nice happy hour with plenty of food in our newly renovated dry dock. Many of the Cruisers dressed to the theme of the **Sock Hop** on Friday evening.

Saturday morning was filled with games that we all played in our younger days.

We played musical chairs, held a bubble gum blowing contest, hula hoop, relay race with different activities and a pin the anchor on the helm. So many laughs. The party continued on and on ending with a sold out crowd to Dueling Pianos.

special treat for all the attendees.

Many thanks to Helen and Rowland for taking the lead. The annual Memorial Day weekend

begins on Friday, May 29, and continues through that weekend.

Future dates to reserve are the annual "Day Away" June 4, Summer Sailstice 2022 on June 18, and Father's Day, June 19. There are also the monthly Bingo, Trivia,

New Title. New Picture. New President.

HELLO YA'LL. Yes, there is a new look to the Gulls in the Compass.

Our Past President Lynne Shackelford has passed the baton to me. I am honored and deeply humbled to follow her as your new President. Lynne has been a wonderful leader and worked very hard and contributed her time and effort for many years. *She is a hard act to follow,* however, I know with her guidance and, as my mentor, and with all of your help, the Gulls will grow in a new direction and continue to thrive, grow and perpetuate the traditions and give immense value to CYC--**AND best of all have a lot of fun along the way.**

Now, let's get down to business.

The Gulls sponsored a Fashion Show on April 20. Sign of the Dolphin provided the beautiful ensembles and jewelry. Many thanks to our lovely members who volunteered to be models: Andi Brown, Sharon Crist, Mitzie France, Patti Morrison, Lynne Shackelford and Kristin Vincelli. I must say, a New York Runway can't compete!

We were fortunate to have an exquisite jewelry collection showcased at the luncheon as well. Mr. Craig Nelson is from Daytona Beach and his company, the Craig Nelson Collection, represents several artists and their jewelry. This time he brought quite a large collection of *one-of-a-kind* pieces by artist Amy Kahn Russell (she is from Connecticut), and the pieces were stunning. A few members took advantage and purchased several pieces. If you are interested in viewing his collections; his website is: www.craignelsoncollection.com.

Mark your Calendars: Two May events coming up:
Saturday, May 14 — ARC FUN DAY AT CYC
 (10:00 a.m. to 2:00 p.m.)

The ARC Tampa Bay supports and empowers people who have intellectual and development disabilities and challenges. For over 30 years, CYC sponsored an annual event for the ARC clients. Two years ago, we hosted 275+ clients and staff. We have a buffet cook-out, swimming, music (CYC favorite JR Connections) provides the music for singing and dancing.

We need lots of CYC members to volunteer. You can

help by coming early and assist in handling the T-shirts, name tags, serving drinks and food, etc. or just come for the fun you will have the entire day. This is a truly rewarding experience of CYC giving back to the community.

If you can come early to help and set up around 8:00 a.m. Please contact the office at 727-447-6000.

Wednesday, May 18 – Ladies Luncheon – 12:00 NOON
Celebrating Kentucky Derby Month.

Why should Louisville, Kentucky be the only place to enjoy all the fun? We will have a lovely luncheon menu created along with a "special event drink". Socializing usually starts about 11:00 a.m. followed by lunch at noon. After the luncheon, hats and lots of ribbons will be provided for you to decorate your own beautiful hat.

An email announcement with details will be sent our shortly. Please call the office with your RSVP and menu selection as soon as you can.

Into the future. . .

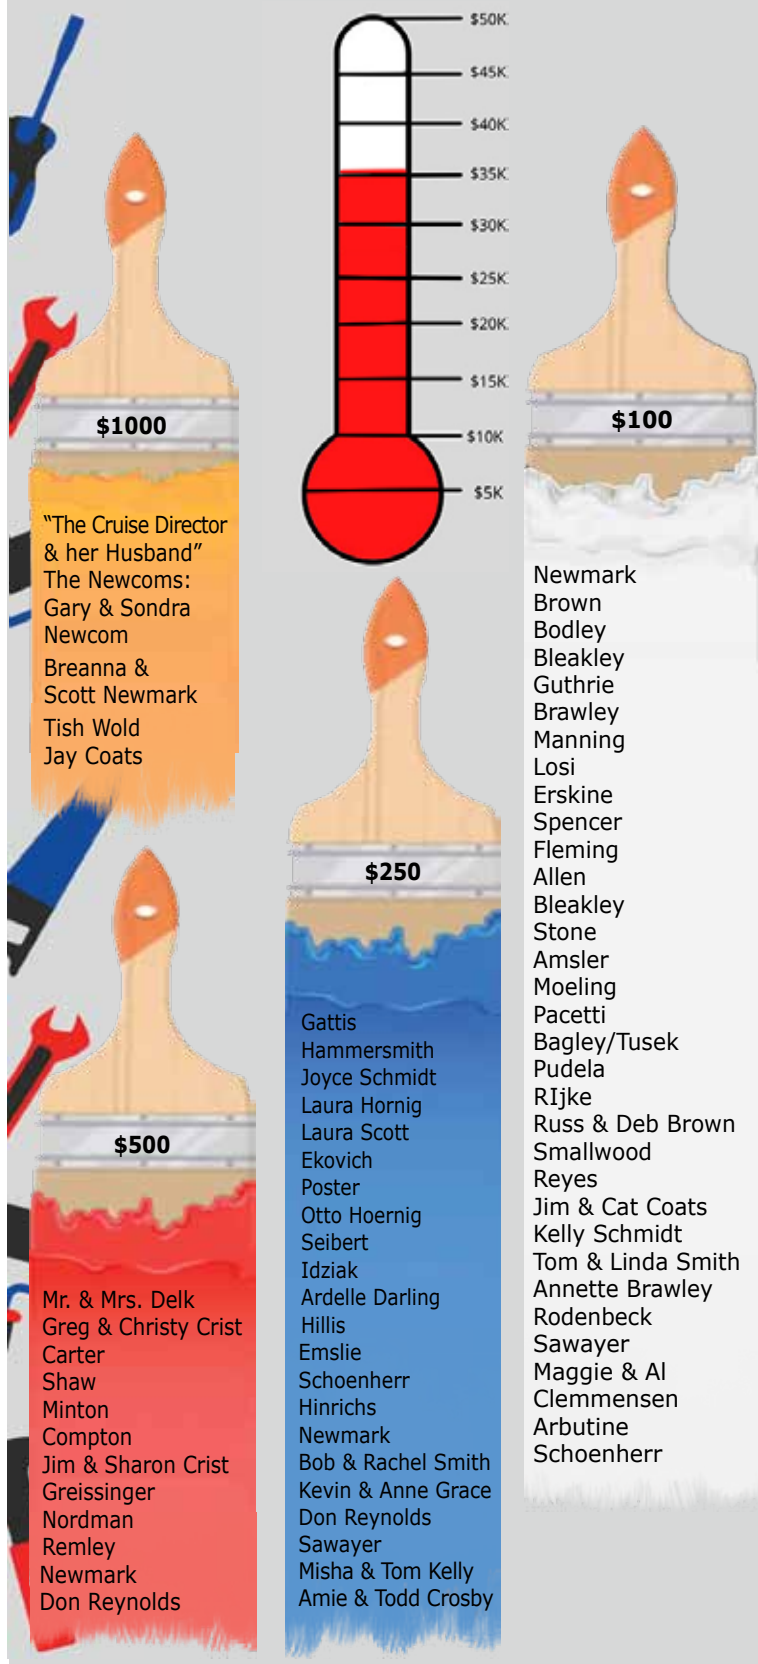

Wednesday, September 21 Our very own Commodore Greg Crist has graciously accepted the Gulls' invitation to speak at our September luncheon. This is the first time that we have ever had a Commodore speak at our luncheons. Hopefully, we will have a "short Q&A session" after his talk.

Several of our CYC members fly away to the Northern skies for the summer and then fly back in the Fall. For the rest of us that remain in Paradise (a/k/a Florida), the Gulls will continue to congregate on Wednesdays in the Gulls Nest from around 10:30 am until noon to plan and coordinate future fun events/luncheons. We also play games, dominoes, quilling, or other crafts that you may want to learn or teach. Please join us for a lot of chatter and fun. You would be surprised at the many interesting tidbits of topics that come up. We are always on the lookout for interesting speakers, entertainers, etc. We welcome any suggestions for future events, please email me at marcia50422@yahoo.com.

Wishing everyone a safe and fun Summer.

Town Hall Meeting

By Joe Lane, Editor

IT IS REFRESHING to experience an organization with exceptional management being totally open and honest. The principal players in Wednesday's Town Hall were Commodore Crist, Vice Commodore Curtis Wold, Treasurer, Richard Libonate and Club Manager, Michael Ciaccio.

Under the same backdrop of honesty, the "Town Hall" held April 27 in the Drydock was more a "State of the Union"; still, it was important for CYC members to hear the contrast drawn between where we were a year ago and the future we face.

Each presenter showed in detail how bleak last year was (and yes, there was red ink involved). The overall presentation maintained a positive, upbeat attitude about now and CYC's future outlook. Some positives emerged: the Florida Council of Yacht Clubs (FCYC) is investigating the possibility of offering insurance to FCYC members to help offset the dramatic increases coming in property insurance.

Yes, last year's attendance numbers were down, but they are improving as Covid fears continue to subside. The improvements we see are largely a result of increased membership and dramatic new activities, programs and entertainment. Compliments of Amie Crosby (Membership) and Jim Hannigan/Tom Cummings (Entertainment co-Chairs) respectively.

The 'Town Hall' led immediately to a lengthy discussion of the imminent marina construction and refurbishing of the ground level, not unimportant since we will be spending approximately \$1.5 million in 2022/23. The few questions centered on the future of the Clubhouse and plans for the property expansion. Commodore Crist emphasized the importance of financial responsibility; CYC simply cannot afford to tackle that magnitude of a project at this time.

This led to mentions of the typical, perennial problems CYC and every business faces--inflation of both labor and materials, minimum purchase requirements, club reciprocity, staffing. These will be addressed as the year continues.

The evening concluded with a scrumptious Mexican buffet prepared by Jermaine Bass and staff. ➡

WHAT STARTED AS a whimper, ended with a wailing wallop in sailing. The winds were strong and the little prams certainly got a workout in many rollicking sails.

We competed in the Annual Woman's Florida Sailing Association Rainbow Regatta featuring 60 Sunfish, 21 Prams and 8 IODs. It was blowing up a snark when Cathy McNally and Christy Poorman put their prams into the Davis Island YC waters and heroically did 2 races. The winds and water were churning and hurling so much the exhausted sailors in their little prams were finally called in for safety reasons. Their boats were swamped with water and they could not even let go of their sheets for a second to bail because the waters were so choppy.

The following week they got to do it all over again up

in Dunedin. Christy Poorman had never sailed a pram before she joined CYC, and now she was out there again representing CYC in fine fashion and rough waters. Cathy McNally did the Club proud again by coming in Second overall. Way to go, girls!!

Another new sailor, Annie Grace took to the prams with no problem, even in windy waters right here in our own basin.

Not to miss an opportunity to party, the gals got together after our Board meeting to have dinner and do Music Bingo. We sponsored the Bunny Breakfast for the children which was really hopping.

Our Change of Watch will take place on May 25. Check Compass for details.

This songbird is heading back North. Hope you all have a safe and happy summer and will see you in the Fall. ➡

? TEAM? Trivia ? Night

THE LAST EDITION of a winning CYC TRIVIA team was titled "It's Five O'Clock Somewhere." They were one of only four teams that evening, taking in the camaraderie and competition. As in any team event, TRIVIA isn't always how much you know (although some would lay odds that the more you know gets you a lot closer to the finish line), it's almost always a consensus that rules the day. Given a few beers, martini's or whatever your choice poison is a good hunch is as valuable as knowledge.

The next team TRIVIA event is scheduled for Thursday, May 19. Plan on it--brush up on your trivial pursuits flash cards or just wing it. I guarantee it, fun will be had by all!!!

HOUSE and GROUND

By Curtis Wold, Vice Commodore

Thank you CYC! The "Buy a Brush" fundraising campaign concluded with the Town Hall at the end of April, and we will now use the funds raised, with approval from Finance, the Board of Directors, and the Board of Trustees to refresh and remodel areas of CYC, helping to conserve our capital improvement funds for other major projects. Thanks again to everyone who bought a brush (or two)!

Here are some updates on a few of the projects going on at the Club:

- Taver Bayly Dining Room and Grill: Sub-committee (Christy Crist, RC Rich Libonate, PC Tim Roberts, Joan Carter). Getting bids for hotel/hospitality quality carpet rolls for where the tables are in the dining room and grill and luxury vinyl plank (LVP) flooring for Grill walkway, Grill bathrooms, entry, bathroom hallway and dance floor. Additional painting where needed with light and bright colors. Re-Formica bar. Tiki Bar refresh. Thanks to Phyllis Nordman (and Colleen Egan, PC Andy Spetz, Ritchie Shaw) for cleaning, painting the posts and outside fascia and polishing.
- Fifteen new umbrellas and two cantilever umbrellas were purchased for the Tiki Deck and pool to give a refreshed, consistent look in navy blue.

- Repair Boat Shed. PC Tim Roberts and VC Curtis Wold are coordinating with BowChasers and Indian Rocks Family Sailing Association (IRFSA) to inventory and then purchase materials for a members' workday and clean the shed, repair the sides, and get bids for roofers.
- Dry Dock Furniture. Jim Crist volunteered labor to reupholster with gray vinyl and white base for thirty two chairs.

As a reminder, if you do not have a CYC burgee window cling on your windshield, please pick one up in the office. It helps us to ensure that cars parked in the parking lot, especially for longer durations, belong to members. Thanks!!

Last month I asked what flag distinguishes the Race Committee Signal Boat from all other auxiliary race committee boats? It is the RC flag:

For a bit of CYC trivia, did you know that the nautical flagpole out in front of the clubhouse was donated to CYC on July 4, 1977, by Courtney Ross, just a few months before the "new" building was officially dedicated with cannon fire and festivities on September 18, 1977? House and Grounds is working with Fleet Captain Rod White and the Cruisers to repair/replace this flagpole and the cannon (with help from Dan and Tom) at our entryway.

The next House and Grounds Committee meeting will be a bit off the usual schedule as I am traveling the first week of May. Our next meeting will be Wednesday, May 11 at 6:30 pm. Until then, I can be reached at woldca@gmail.com or on my cell phone by text or voice at 727-641-8633.

See you around the Club!

Patricia Torry "PT" Wagenseil

2 November 1955-19 April 2022

Her life of service and compassion touched so many lives for good. For her husband of 44 years (Bob), her sisters Dulie and Cathy, brother Rob, sisters-in-law Lynn, Anna, Robbie, Elise, "adopted" sister-in-law Judy, surrogate son David, many cousins, nieces and nephews, students, parishioners, and countless friends, our hearts and minds are filled with the gift of good and holy memories which will remain with us all the days of our lives.

Early Evening on the 19th of April, Tuesday in Easter Week, our precious PT (Patty, Pat, Mrs Wags) was at long last set free from all the pain and suffering of cancer, but with her passing she has left us all with a legacy of love, kindness and generosity that will never pass away.

May our loving God, the risen Lord of Easter, grant to her eternal joy and peace in that Kingdom where every tear is being wiped away and all things are being made new.

About thirty years ago, Tom and Beverly "Bee Bee" Brewer helped launch CYC's FunDay for the Upper Pinellas Association of Retarded Citizens (UPARC) now The Arc Tampa Bay Foundation. This event is a great way for members to give back to the community.

Come out for the Fun Day! Volunteer for one of the best experiences of the year—and ENJOY...

- Hamburgers and Hot Dogs
- Clearwater Marine Aquarium Pontoon boat rides
- JR will be supplying music for singing and dancing
- Swimming in the chilled pool, plus games and CYC's ever so popular fabulous Ice Cream Sundae Bar
- When they arrive each client will receive a free T-Shirt and you can help offset the cost by buying one or more for yourself.
