Commodore's Corner

THANKS TO ALL members for coming out to the Club in June! Island Day Away at Three Rooker, Cruisers to Twin Dolphin, St. Petersburg YC at CYC, Father's Day, Poker Run and the monthly Grand Brunch provided something for everyone at "the fun Club"!

As we get into the middle of summer, the Club will keep it happening! Comedy Night with Magic, 4th of July, Jazz Night, and Dueling Pianos, are just a few events in July. Keep an eye on the Compass, the Constant Contact email blasts, and the website calendar for all the wonderful experiences to be had at the Club, and make reservations for you and your guests whenever possible by phone, email or online.

How about the new Cruisers Landing around the nautical flagpole? Thanks to all who made the entry to our Club look shipshape and seamanlike!!

Are you interested in serving CYC on the Board of Directors or Board of Trustees in the near future? If so, let me know so that I can pass on your information to John Minton as chair of our Leader Development Committee.

Once again, thanks to Vice Commodore Rich Libonate and Rear Commodore Joan Carter for performing the duties of the General Manager for the past two months. Your Bridge interviewed a few candidates, and the Board of Directors as a whole interviewed a prospective candidate on June 19th. I am pleased to announce that Peter Jutis will start as our new GM on July 10. He has over twenty years of local experience managing high-quality, fast-paced, and award-winning venues including Clear Sky Cafe, Blinkers Beachside, Crown and Bull and the Phoenix Lounge. Thanks again to all our members for the support of Rich and Joan. Please extend a warm CYC welcome to Peter in July!

In the meantime, I can be reached at woldca@gmail.com or on my cell phone by text or voice at (727) 641-8633.

See you around the Club!

BOARD HIGHLIGHTS

by Carey Sauer, Secretary

The CYC Board of Directors (BOD) met on June 15. The following items were addressed:

- The Board voted to replace the refrigerator in the Grill bar. It has been acting up and we want to avoid any problems with code enforcement.
- The first delivery of chairs is imminent, but we are purchasing 32 additional chairs for the Taver-Bayly Dining Room. Until the second lot comes in, the downstairs chairs will be used with covers and slides.
- The Board allocated temporary funds for Vintners Club (VC) wine lockers—30 of the 45 Vintners Club memberships are sold, but this leaves us a little short of the money to build the wine lockers. The Club will front the funds to the VC for six months or less. Please reach out to Steve Hitchcock if you are interested in joining the Vintner Club.
- Funds from the Holiday Lighted Boat Parade will be donated to the Clearwater Community Sailing Center for scholarships. CYC is working with local Salvation Army and Father Bob to find students to learn to sail.

The next meeting will be held on July 20 at 6 pm. Please note that all committee and Board meetings are open to the membership!

GREETINGS FROM THE marina with a few "newsy notes."

As you probably gather, the marina project has been relatively quiet as we await completion of the electrical work. If all goes well, this long-awaited project should be completed in September or October.

In the meantime, there's been a lot of activity in slip turn-over which has allowed us to move several members up the waiting list. If you've been considering joining the waiting list, now is a good time to add your name, especially if your boat is in the 30 to 38-foot range. Most of the vessels on the current list are over 40 and under 20 feet.

It's important to keep in mind the established procedure and how you're considered for a slip once on the waiting list.

Slip assignment is based on the following criteria (in no particular order):

- ⚓ Length of time on the waiting list.
- ⚓ Participation in Clearwater Yacht Club usage.
- ⚓ Size of the available slip.
- ⚓ Balance between sail and power yachts of active boat owners.

We try diligently to find the best fit based on the size of

- 2 tbsp Butter
- 8 ea Green onions, sliced
- 2 ea Small garlic cloves, minced
- 2 ea Ribs, celery, sliced
- 4 cups Chicken broth
- 2 ea 14 $\frac{1}{2}$ ounce cans diced tomatos (do not drain)
- 16-20 oz Okra, fesh or frozen & thawed, sliced (6-8 cups)
- 2 cups Corn kernels, canned or frozen & thawed
- 2 tsp Cajun seasoning
- Dash of freshly ground pepper and salt to taste

Directions:

1. Heat olive oil and butter in large saucepan over medium-low heat. Add green onions, garlic and celery.
2. Add chicken broth, diced tomatos, sliced okra, corn kernels, cajun seasoning and black pepper. Bring to a boil.
3. Reduce heat to medium-low. Cover and simmer until okra is tender, about 20-30 minutes. Season to taste.

slip. Over the years, we've learned that, if a boat is too small or too large for a certain slip, damage can occur because of the space between the boat and the pilings.

Bottom line: If you'd like to be added to our waiting list, please contact Michelle Geis, the CYC's Financial Controller (controller@clearwateryachtclub.org). She will be more than happy to guide you through the process.

In closing, please be sure to help yourself to ice from our newly installed self-serve ice maker! It is located in the same area as the old freezer. You will now be able to place ice directly in your cooler or even fill your own bags. ➡

Until next time...

CYC hosts Boys & Girls Clubs

By Rich Libonate

DURING JUNE, THE Clearwater Yacht Club hosted over 50 kids from the Boys and Girls Clubs of the Sun-coast, which encompasses all of Pinellas County. We worked in conjunction with the Clearwater Marine Aquarium. The kids were treated to a 2 hour tour of the Aquarium and followed by boat trip to our yacht club for lunch. Long time members Cat & Jim Coats are major contributors to this wonderful organization and have worked extremely hard for the past 34 years. CYC was happy to be part of this great event which brought smiles to every one of the kids.

Chaplain's Log

By Fleet Chaplain Father Bob Wagenseil

Blessing of the Fleet (+ 3 Months)

YES, IT HAS been three months since we gathered for our annual Blessing of the Fleet. July finds us well into those much anticipated long weekends onboard. Whether at the Club or away from the dock and out into the Gulf or ICW for a few special days on the water and perhaps even an extended cruise, July is, the perfect month to remember that with every blessing comes not only the

hope of fair weather and memorable days with family and friends, but most especially with the intention that our days underway will also be marked by the old saying: "Safe Boating is Fun Boating."

This is, indeed, a good time to inspect all systems on-board along with all safety gear such as PFD's, EPIRBs, Life rafts, Dinghies, running rigging, navigation lights, standing rigging, ground tackle, sails, engines, generators, Fire Suppression equipment, Shore Power cords, Man Overboard gear, First Aid materials, thru-hulls, stuffing boxes and shaft seals, Propane, plumbing, Steering cables, hose clamps, navigation charts and electronics, VHF/SSB, spare parts, flares and other distress signals and all items onboard intended to keep us safe and maintain our vessels in "Bristol condition." Arranging for an annual USCG Auxiliary Safety Inspection is always an additional "blessing!"

Now is the perfect time, as well, to review our copy of COLREGS to ensure that we are well-schooled in the Rules of the Road. The April blessing included these words: "May we operate our vessels as 'prudent mariners' in accordance with the best traditions of good seamanship."

With hurricane season underway, preparation of storm gear such as heavier dock lines, fenders, chafe gear, and a careful review of our storm plans well in advance of any approaching bad weather will help to ensure that we are ready to respond as watches and warnings are posted.

As your Chaplain, I pray that the Blessing of the Fleet of three months ago will remain alive among us in the days and months to come, and that all our vessels and crews will continue "to arrive in safety at the harbors we are bound for."

God bless you, your families, your guests onboard . . . and your boats! Have a happy and safe summer boating season.

ENTERTAINMENT

By Jim Hannigan, Entertainment

GREETINGS CYC MEMBERS. Did someone say its summer? I hope everyone is staying properly hydrated, either in the Grill Room bar or the Tiki Bar, enjoying cold and tasty beverages from our awesome bar staff. Also keep in mind the words of Jimmy Buffett, when he sang about "Trying to reason with hurricane season," as we all need to be vigilant about Mother Nature during the next few months and be prepared on all fronts.

In June we were able to enjoy the Island Day-Away pre party at the Tiki, followed by the actual Three Rooker Island Day-Away party, where members and guests enjoyed an afternoon of food and fun. The Bow Chasers enjoyed their summer social, and the Cruisers ventured to Bradenton, while the Cruisers from St. Pete Yacht Club arrived to CYC for their weekend at the BEST Club in the Fleet. The Club hosted trivia night, bingo, and, of course, Father's Day breakfast where Dads ate free. The Poker Run pre-party and Captains meeting took place which began the actual Poker Run event where attendees after gathering their poker cards from various stops on the water celebrated a festive gathering at the Tiki after to celebrate a winning day, regardless of the hands that were dealt. Summer Sailstice was another option where boaters headed out to Clearwater Pass to witness the sunset before the actual Summer Solstice. A Grand Brunch completed the events for the month.

July kicks off with the **Fourth of July weekend (6/30-7/4)** activities. The slide for the pool will be available all weekend long. Music abounds on the Tiki Deck Sunday afternoon and Tuesday afternoon and evening. **A Magic show is a must (7/1).** **The Tiki Bar will be open on Monday, July 3rd, from noon to 5:00 pm, with a limited food offering, and the pool will also be open.** The Bow Chasers have a summer social (7/11), Jazz Night (7/12), our Cruisers head to Sarasota (7/13-7/16) while Sarasota Yacht Club arrives at CYC, the **Funn-est Club in the Fleet.** Bingo (7/18), Trivia (7/20), Dueling Pianos (7/22), movie night poolside (7/29), and a **Grand Brunch** round out a truly wonderful JULY.

Be sure to mark your calendars for Future Events: **The White Party (8/26); the Employee Turnabout Party (8/27); Labor Day Weekend festivities (9/1-9/4); NFL football kickoff (9/10).**

We appreciate your continued support and participation in the activities the Club provides. All ideas for any potential events or musical acts are most welcomed, just message me or contact the Club directly. These events can always use hosts or volunteers, so don't be shy and step right on up and lend your support. Remember that some of these programmed events offer a fixed dining menu that may not be to your specific dietary needs, but please let the Club know when making those ever important reservations, and the Chef will accommodate your dietary needs. Did I just say reservations, as they are so important in the operation of our Club? Make that call before you arrive.

The next Entertainment Committee meeting is Tuesday, July 11, at 6:00 pm, in the upstairs Board Room. All members are welcome to attend and be a part of this group. This will also be my last year as Chair, with my term expiring in December. Please contact Vice Commodore Rich or Rear Commodore Joan to express your interest in this position. We look forward to seeing everyone at the Club and enjoying our CYC camaraderie. 🚩
Cheers to a wonderful July, 2023!

Everything Is Optional

Everything was optional, except maybe clothing, for the Cruisers June trip to Twin Dolphin Marina in Bradenton. After so much excitement during the alien invasion, Cruisers needed to get away for a relaxing weekend. No costumes, no appetizers to prepare, and no pressure to participate but possibilities beckoned.

Thursday kicked off BYOB to the BBQ cooked up by Rod White. Afterwards, big decisions needed to be made on whether to continue the zen vibe or shake the booty to bar hopping. There's just no stopping some crazy cruisers.

Hosts Richie Shaw and Phyllis Norman (I'm thinking husbands were optional here as well) lined up more choices for the weekend with a Friday morning walk (to breakfast) and shopping artsy boutiques and upscale thrift stores while the men gathered for golf and shuffleboard. More walking for the willing led to Caddy's Pub for happy hour before embarking to Mattison Riverwalk grill for dinner, a fan favorite for seasoned veterans.

Saturday held a few surprises with a dozen fellow cruisers from Bradenton joining CYC boaters for fun in the sun. Naturally, Bloody Marys, Mimosas, muffins and more started the day, followed by an afternoon by the pool with games, trivia, and a white elephant towel swap.

Still, everything was OPTIONAL and we hope that didn't hold true for clothes at this point. At dinner time, the group was set free to forage on their own, order pizza or have their way with the grill.

Sunday completed the trip as all captains and fathers were released into the wild to spend Dad's Day their way. We hope it included lots of family time and possibly brunch at CYC.

A Signature Drink for CYC

By Jim Hannigan

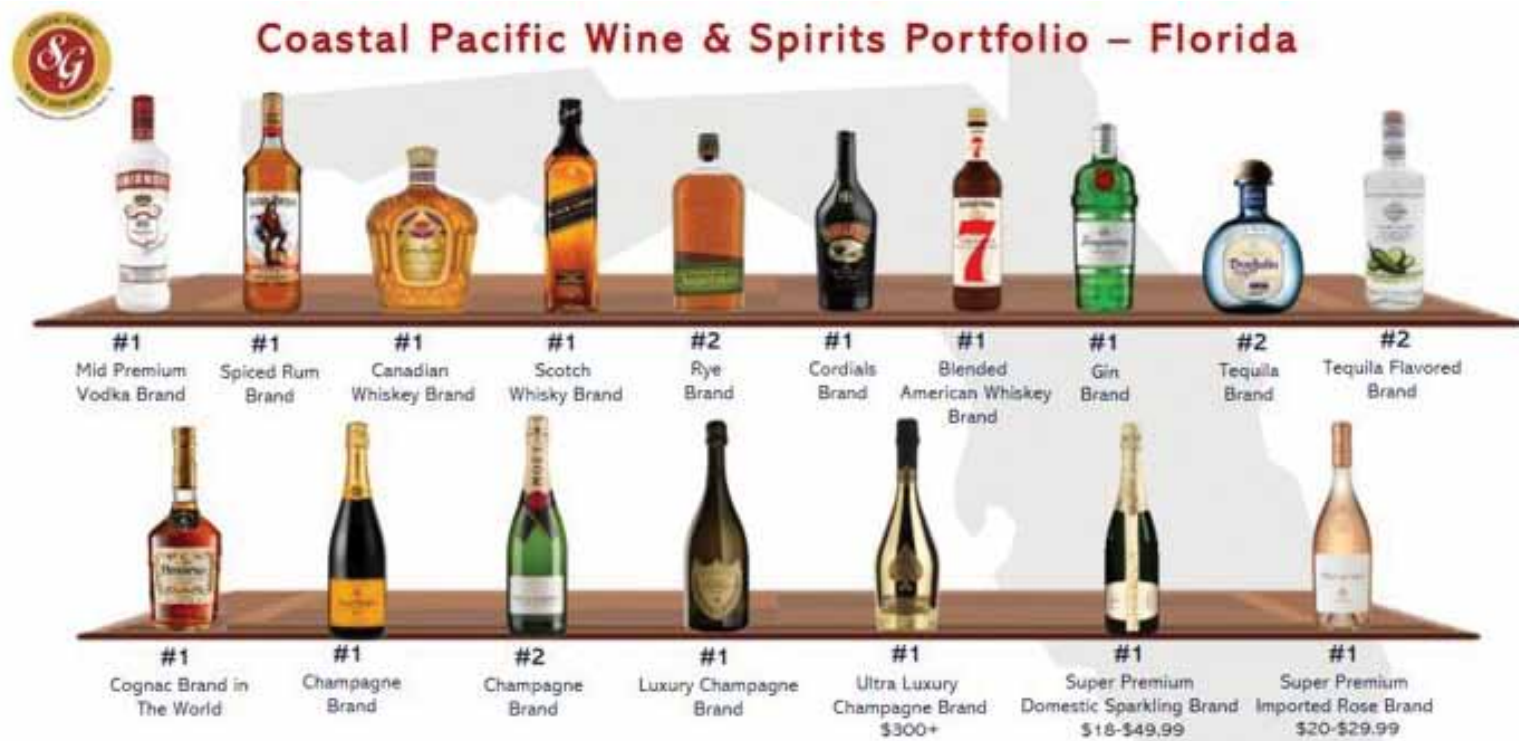

CYC MEMBERS: I believe it's time for our beloved Club to step up and become a part of the network of prestigious Yacht Clubs across the country who have their own signature drink. (see below copy). I am asking for all our member mixologists, amateur and professional, to create a unique cocktail using the brands shown below. Since I am initiating the contest, I thought it only right to make it from my own brands from my company (Belvedere Vodka, Ketel One Vodka, Ciroc Vodka, and Ron Zacapa Rum are welcome additions as well).

We want this signature drink to stand out and represent our CYC every day. It will be a permanent menu feature. Please keep in mind that this entry should be reasonably priced when creating it, so put your thoughts into the various

mixers and condiments that are commonly available. This contest will begin July 5, 2023, and end Friday, August 25, 2023. Entries should be submitted via e-mail (jhannigan@sgws.com).

Every entry needs to have a creative name to identify it. Our CYC Bartenders and staff are welcome to compete as well. Our panel of judges will concoct the submitted recipe, sample, then choose the top three entries, and we will have a tasting on Friday, September 1, 2023. We hope to have our signature cocktail on line for the Labor Day Weekend festivities. Good luck to all, and thanks in advance for your participation. Of course there will be a grand prize, and the notoriety of creating the winning cocktail for the Club.

Cheers!

Sailing has its traditions and, for better or worse, the adult beverage is one of them. At some yacht clubs, this tradition goes so far as a designated house drink. In 2010, Scuttlebutt took on the task of creating a list of these house drinks.

HOUSE and GROUND

By Richard Libonate, Vice Commodore

OUR COLLECTIVE FINGERS are crossed that by the time you read this, you will be seeing new chairs in the Grill Room and new carpeting and chairs in the Main Dining Room. This will complete the total renovation of the Grill Room and Main Dining Room. This has been a project that

began over a year ago under Commodore Curtis Wold's focus and the vision and efforts of Christy Crist and Joan Carter. Members have already raved about what they have seen already and can't wait for the final touches, so thanks for your patience and now it's your time to ENJOY!!

We will be having monthly food nights beginning in July. One week a month, we will have a special night where we feature special foods from around the country and the world. In July, we will kick it off with a New England night featuring 1½ lb whole Maine Lobsters as well as other New England specialties. In August, we are looking at a Chicago Chop House Night, featuring Tomahawk Steaks as well as a Tomahawk Pork Chops. Be on the lookout for the Constant Contact with the dates and times. We will be asking our members to please make reservations so we may order the appropriate amounts. We are sure you have heard all the fantastic reviews of dinners we have had over the past several months, now you too can enjoy and see the talent of our very own Chef Jermaine.

Our new flag pole and pavers are completed. The pole was donated by member, Gail Stone, in memory of her husband, Bill and the entire Cruiser Group. The name pavers were the result of the vision and hard work of Sondra and Gary Newcom, who worked extremely hard and the result is a masterpiece. Members donated funds for their blocks which include a block for all past Commodores back to the beginning of the Club. It is truly something to see and I am sure will make you proud to be a member.

Remember, our members' satisfaction and enjoyment at our Club is paramount. We want to make your experience at your Club the absolute best we can. You can always reach out to me at rlibonate@gmail.com or my cell at (813) 541-8171.

CYC's New Vintner's Club

By Steve Hitchcock, Chair

I WOULD LIKE to introduce you to the newest CYC club within the club--The CYC Vintner's Club!! The CYC Vintner's Club was created to bring members expanded wine offerings through monthly fine wine tasting dinners and opportunities to purchase those wines at discounted prices. Members also have the opportunity to place Vintner Club purchased wines, for CYC premise enjoyment in a beautiful wine locker which will be located in Main Dining Room. This "Club" is part of the Clearwater Yacht Club and not a separate organization with a limited number of memberships available. All full members of the CYC are eligible to apply for Vintner Club membership. When the membership limits, are reached a waitlist will be created. Memberships are going fast so don't delay! For more information, please email me at CYCvintners@gmail.com. **Cheers!**
