AS WE MOVE into the Florida summer months, your Club has many events all summer long. Firstly, however, our new menu has been out for almost a month and we have heard many positive comments from our members. Chef David has put forth a tremendous effort in giving our members an exciting, varied menu. The Chef is passionate in the preparation of the menu with every food item prepared to order. Nothing is served that was frozen or prepared days in advance. We receive fish, meat and produce deliveries virtually every day and he personally inspects every order as it arrives. This is his commitment in delivering the absolute highest quality food. If you haven't had an opportunity to try the new menu, I would personally ask you to come to the Club and experience it firsthand. I am confident you will love it.

We have a full calendar of events for our members during the summer months. Anchored by our major holidays, 4th of July and Labor Day, with many other great events spread throughout. These include our annual Poker Run, Rock the Dock Party, the return of our favorite magician in July as well as music at the Tiki Hut every Saturday and Sunday, just to mention a few. Our calendar is attached to all our emails. We have something for all our members.

We have begun our annual Summer Membership Drive which allows prospective members to experience the Club for the summer and apply for membership. If you have friends or neighbors that have expressed interest in our Club, please contact Holly in our Office for details. Many of our members started with a summer membership.

As always, if you have any questions, comments or suggestions, please don't hesitate to contact me. Remember, this is your Club and I love to hear from you in ways we can make the member experience the best possible. You can reach me at 813-541-8171 or rlibonate@gmail.com. I look forward to hearing from you.

I HAD THE benefit of beginning my career at a large, international company with ample resources. The company was actively involved in the communities in which it had operations and relied on the thousands of local employees to carry out its philanthropic missions. Within months of joining the company I found my first opportunity to volunteer. The program was called something like Shop with Cops and it paired an employee and a law enforcement officer to take underprivileged children back-to-school shopping. It was a rewarding experience and I continued to volunteer over the years. At an annual employee recognition event, a question was posed by one of the speakers that asked "What motivates a volunteer?". His response was that volunteers ARE motivated and that has stuck with me ever since.

The Clearwater Yacht Club is run day-to-day by our fantastic staff but member volunteers are always needed for the many committees, projects, leadership roles, and activities happening throughout the year. Do you like attending the fun theme parties thrown at the club? Visit a monthly Entertainment Committee meeting to suggest and/or participate in a future event. Passionate about yachting or boating? Get involved with the Bowchasers, Cruisers, Yachting or Race committees. Good with a hammer and saw? Many members have been volunteering their skills for Waterside and House & Grounds projects on an as-needed basis. Ask one of the chairpersons listed in this issue if you have any questions or just jump in when you see a need or feel motivated.

Thank you in advance from YOUR club!

GREETINGS FROM NORTH OF THE SEA WALL!

GOOD NEWS! Our application for installing the pump-out system to the State

of Florida has been submitted. We are hoping for a 30-day turnaround so we can get started. In the meantime, we will begin negotiating with contractors and be ready to start as soon as the project is approved. This project has reminded us how a few dedicated members can make a significant difference in our club when they invest their time and energy!

The electrical project continues to face delays due to additional obstacles from the City of Clearwater and FEMA. These issues are being addressed, but it takes time. We remain focused and are working to resolve them as quickly as possible. We still hope to begin work by early to mid-June.

Our marina is a busy place these days as folks contemplate their next boat moves. Currently, several boats are for sale. This will allow us to make some adjustments with existing slip holders and offer slips to members who have been on the waitlist for some time. Remember, the decision on who is offered a slip is based on matching boat sizes to slips and how active you are within our club. I'm happy to discuss how this works with anyone at any time. Lastly, it is important to remember that when selling your boat, your slip does not go with it. We will expect the slip to be vacated within days of the final sale. 🚩

HOUSE and GROUNDS

**By Joan Carter,
Vice Commodore**

THE HOUSE AND GROUNDS

committee has been very active over the last couple of months improving your club. You may have noticed the new pedestals at both the east and west entrances to the parking lot. They have been installed and painted and the new lights have been added. Thanks to Craig Bleakley and Rick Broom who managed this project! Landscaping of the areas is happening as I write this and should be completed in the next week or so.

A beautiful new menu has finally come to the club! We have been hearing wonderful reviews and if you haven't had the opportunity to try it, please come out and do so! We are having specials on Tuesdays as well so look for the email each week!

New Friday Happy Hour is here for the summer! The tiki has been quite busy during this time so come out and visit with friends!

As you have read, we were looking into flood mitigation products to keep our new Dry Dock and lounge dry. These have been ordered and installation will take place sometime in July. This is a great system, easy to install and remove quickly. We will be upgrading our shed that sits in the back parking area behind the pool to accommodate storage of this system as well as other things we need to keep on hand.

Our pool area will be getting new umbrellas and bases so that all the chairs and tables will have an umbrella for our members. Now that summer is here, shade is at a premium! We will also be replacing the permanent awning that covers the area between the tiki bar and the building. It is small but important and has served its time.

If you have ideas you would like to see implemented, please let us know! See you at the club!

Memorial Day Weekend Yacht Racing

ON SATURDAY, MAY 25TH, the Yachting Committee hosted a sailboat race off Clearwater Beach. The "Big Boats" were out, and PC Tish Wold was acting as the PRO (Principal Race Officer) for the event.

In light of the holiday weekend, before the race the Yachting

Committee hosted a Bloody Mary & Bagel breakfast with Champagne and our famous CYC Sticky Buns in the Dry Dock for race boat crews. CYC members were also invited to come down to the club to send off the race boat crews and enjoy some food and drink to start the weekend celebrations early.

Jim Hannigan graciously offered to provide all the Champagne and Bloody Marys. **Thanks Jim!!**

Chasing Gold: The Journey of Noah Lyons, Olympic Hopeful in Sailing

Each year the CYC Bow Chasers choose a worthy cause for charitable giving typically in support of sailing. This year the Bow Chasers chose to donate to Noah Lyons, a Clearwater native who grew up sailing at the Clearwater Community Sailing Center. Noah just recently secured his place in the 2024 Paris Olympics in the IQ Foil Class!! The Bow Chasers are proud to support a local Olympian in this brand-new class in Paris 2024.

As Noah Lyons prepares to take to the water in pursuit of Olympic glory, he carries with him the hopes and dreams of his country. With his talent, determination, and unwavering dedication, there's no telling how far he can go. So let's rally behind Noah and cheer him on as he chases gold at the Olympic Games.

For more information on Noah's journey, please check out his website: noahlyons.org

Activities and Events:

One of the key objectives of the Bowchasers club is to organize a wide range of sailing and social activities for its members. Our Change of Watch ceremony is being planned for October when all our snowbird members return and will be our kick off event for next season. Details to follow.

Vintner's Club Annual Gala

By Aubrey Posey-Hitchcock

MAY BRINGS US our Annual Gala featuring Silver Oak wines. Club members have been looking forward to this event for months. For over 50 years, Silver Oak has produced some of the finest Cabernet Sauvignons from Napa and the Alexander Valley. Silver Oak is still family-

owned and operated, but its family of brands has expanded to bring other offerings including Twomey Pinot Noirs and Sauvignon Blanc.

For the dinner, we tasted the Twomey Sauvignon Blanc and Pinot Noir, the 2018 Napa Cabernet, the 2019 Alexander Valley Cabernet and the 2019 Napa Cabernet along with a very special offering, the Timeless Red Blend.

You Can't Top This

IF YOU OWN a boat, you know ship happens and when it came to April's long-cruise, let's just say, there was a lot of anchor management to be had. To borrow a few words from Paul Simon, "there were incidents and accidents. There were hints and allegations," to keep the drama alive on the high seas. Running aground was a fan favorite for several boaters. One grounding lasted well into the night and into the next day, involving visits by Sea Tow several times, where one driver also needed to be rescued from his own breakdown. Someone nearly ran out of gas, while another actually did. A beloved pooch walked the plank and kerplunk into the drink at the first yacht club before happy hour could begin. And while quite a few cruisers were speeding, one got caught and tagged with a \$140 fine. To be fair, for this wave of shame, we must include the credit card left for lost at a restaurant (a common theme for this captain) but heroically rescued by another who fortunately stayed an extra day at port.

The biggest change of plans was not so unexpected. The elusive final goal of Key West still lies ahead for perhaps a future excursion of sorts this summer. The southernmost point found itself sidelined by high winds and seas forecasted for the return voyage. Those with time on their hands to wait it out forged ahead. The remaining seafarers split up after Pink Shell Resort and Marina to make their own way to ports of their choosing.

There's no way to top all that drama except to bring it home to May's cruise-in where all the captains and first mates park it at the club by boat, car, foot, or whatever gets you to the Clearwater Yacht Club. Weekend hosts Fleming Ford and Amie Crosby planned a hilarious theme riffing off club memberships of all types. Festivities began Friday at CYC for lunch (mostly ladies) or competitive pickleball led by Phil Shaw. Golf clubs took a hit on movie night at the dry dock with Caddy Shack and Kane's famous Caddy Shack cocktails. Fun and games and trivia sandwiched themselves between the feature movie. Not ready for the night cap? Nobody could claim hunger pangs when there were plenty of favorite movie snacks on board. Hot dogs, nachos and movie candy kept the evening humming. (What a great idea for fun on our home turf. Hint hint. Could there be a sequel?)

Saturday reached for the stars beginning with an afternoon scavenger hunt combined with rooftop bar

hopping. A hysterical t-shirt contest (think comical, not crazy, but you never know) proceeded the beach walk and hop. Individuals or teams competed to come up with the funniest comments or slogans emblazoned on a t-shirt. This would certainly set everyone apart at the JW Marriott, Edge, Hiatus and AC hotel rooftop bars. (We hope someone eventually spills the tea on this one. Stay tuned.)

But wait there's more! We hope no one took their afternoon nap too far and missed out on the coup de grace of

classic country club satire landing back at CYC replete with over-the-top attire, dinner buffet and dancing (there must be a contest in there somewhere, right?). Reaching for the moon is not beyond the grasp of this crew.

Sunday brunch at the club rounded out the no holds barred weekend. The orange slice in the morning mimosa to top it all off? No tall tales of broken boats could excuse you for missing this feast of fun.

From the Front Office

By Peter Jutis, General Manager

FIRST THING I would like to apologize for Mother's Day at the tiki bar & pool. As the General Manager I take full responsibility for not having food after the brunch. There are no excuses. I will be working with the staff old and new to prevent anything like this happening again. Once again, I apologize.

The new menus have been out for about a month now and we have so many great new items on there. Wine list and Drink list have gotten some great reviews. We have some great events coming up in June and we also we have live music out on the tiki Saturday & Sunday.

On Father's Day we will be holding a big brunch with prime rib, ham, and turkey carving station. Dads eat free and there will be a special menu downstairs (Smoke house Style).

Don't forget to sign up for the poker run.
